

August 30, 2018

Dear Lakeside Parent,

On Thursday, September 6, Lakeside Elementary will host its Open House. Parents are invited to visit their child's classroom(s) according to the schedule on the back of this page. Classroom teachers will present an overview of your student's school day and its important components. Please keep in mind that our Open House is an opportunity to become more familiar with your child's teacher and school experience, not for individual conferencing. School wide parent conferences will be held in November.

This year, we are trying something new for our Open House. In addition to visiting classrooms, please plan on attending our Open House Fair in the cafeteria! We are excited to welcome several community agencies that offer opportunities for our students, including our PTA, CTC, YMCA, Wayne County Public Library, The Cooperage, and more! Our Title I teachers, Garden and Chess Club advisors, WHSD Food Services, Community and School Based Behavioral Health team, and more will also be there. For your convenience, you can also sign up for LAKESIDE EMAIL BLASTS and get more information on Wayne Highlands Text Alerts at our Technology Table.

Parents who visit FIVE (5) tables or more at our Open House Fair will be eligible to win one of three family prize baskets! Be sure to pick up your "playing card" as you enter the cafeteria that evening.

Please consider attending this informational evening. It is an excellent way to kick off a terrific school year, and open an important dialogue between home and school.

Sincerely,

Sandra Rickard
Principal

MRS. CAMPEN and MRS. WILLIAMS	7-7:30PM
MS. KILKER and MS. ROBERTS	7-7:30PM
MRS. MARTIN and MRS. NOVOBILSKI	7-7:30PM
MRS. LANDRY	6:30-7PM
