GEORGE R. KORB
BOARD PRESIDENT

DIANE MOTT
BOARD SECRETARY

Dear Families,

We hope all of you are well. The COVID-19 pandemic has certainly brought about a time for connecting in a different way. Governor Wolf has extended the school closure mandate through April 8, 2020, and we are all focused on the health, safety, and well-being of all members of the Wayne Highlands family. We are also dedicated to providing materials that can help our students with special education needs maintain the skills they have already gained this school year.

The Wayne Highlands School District is committed to making a good faith effort to provide continuity of education for our students while our schools are mandatorily closed due to the COVID-19 pandemic. During the extended closure, we are providing enrichment and review opportunities for our students to keep their skills sharp. Information about the District's resources and information about picking up materials has been sent to all our parents and is also available on the District's website. This will be updated for everyone as necessary.

The enrichment and review opportunities that have been sent home include voluntary work that is appropriate for your child's educational levels. Special education teachers and general education teachers have collaborated on the work provided to ensure it provides any necessary accommodations and/or modifications your child requires. If you have any questions regarding the enrichment and review packets that were sent home, please contact your child's special education case manager, who will be checking his/her email.

Additionally, if your child's annual IEP Team Meeting was postponed due to school closure, or you have an upcoming IEP Team Meeting, we will contact to schedule a phone conference meeting in the very near future.

The Special Education team values education and we value your child. We understand the challenges school closure has caused and want to do our part in ensuring your child has equal access to learning. We also appreciate the expanded role that has been thrust upon parents and we want to be a support for you as well. Thank you for your continued cooperation as we work to ensure the safety of our students, staff, and communities. If you have any questions, please feel free to contact one of us at the email address below or your case manager.

Sincerely,

Mrs. Amanda Kerna

Director of Special Education

MISSION: TO PROMOTE A SCHOOL-COMMUNITY ALLIANCE DEDICATED TO:
• DYNAMIC EDUCATIONAL PROCESSES • SUCCESS FOR ALL STUDENTS
• LIFELONG LEARNING • RESPECT FOR ONESELF AND SOCIETY
