

**ARTICULATION AGREEMENT**  
**BETWEEN**  
**LACKAWANNA COLLEGE**  
**AND**  
**WAYNE HIGHLANDS SCHOOL DISTRICT**

**PURPOSE:**

This Articulation Agreement (this "Agreement") is valid effective July 1, 2022.

Wayne Highlands School District ("WHSD") and Lackawanna College ("LC") enter this Agreement, effective July 1, 2022, in order to facilitate the matriculation of students from the WHSD to LC and to support their academic success in the Health Science Programs where applicable.

**AREAS OF AGREEMENT:**

This Agreement will be applicable for students who have completed the WHSD Health Occupations Program and who wish to pursue an A.S. degree in LC's Sonography, Physical Therapist Assistant, or Surgical Technology Programs.

This Agreement will not be applicable to students entering LC with limited credits or students transferring without completing the WHSD Health Occupations Program.

Under the terms of this Agreement, students who have completed the Health Occupations Program will be granted credit for the following courses:

*-HTH 105 Intro. to Patient Care (2 credits)*

*-HTH 100 Medical Terminology (1 credit)*

*-HTH 125 Anatomy & Physiology (3 credits)*

This agreement does not guarantee acceptance into a program. LC reserves the right to accept/deny students into any of these Health Science Programs.

To facilitate the matriculation of students from WHSD to LC in accordance with the above stipulations, the parties involved agree to the following:

Students entering the agreement must:

1. Have successfully completed the Health Occupations Program at the WHSD.
2. Complete the Standard Admissions Process at LC.

\*\*\*In order for a student to be eligible for immediate consideration for a spot in any of these Health Science Programs, he/she must be deemed "college ready" by LC's academic requirements (meaning a student does not need to complete any DEV or BRIDGE courses in the areas of Reading, Writing, and/or Math).

\*\*\*Any WHSD students utilizing Dual Enrollment credits taken while in high school will be eligible for the current Dual Enrollment Scholarship provided by LC (if this scholarship is discontinued in the future, this area of the articulation agreement will be revisited to accommodate WHSD specifically).

**CONDITIONS OF THE AGREEMENT:**

1. The LC Director of College Enrollment Partnerships, Dean of Health Sciences, and the WHSD Director of Career Services will monitor compliance with the terms of this Agreement.
2. Either institution may withdraw from this Agreement upon written notification directed to the other, except that commitments already in effect for students who have applied to LC will be honored. In the event of a substantial breach, such as, a lack of response to requests for information and a lack of adequate participation, either party may immediately terminate this Agreement.
3. The relationship of the parties to this Agreement shall not be construed to constitute a partnership, joint venture, or any other relationship, other than that of independent contractors.
4. Neither of the parties shall assume any liabilities as a result of this Agreement. As to liability to each other or death to persons, or damages to property, the parties do not waive any defense as a result of entering into this contract. Nothing herein shall be construed as a waiver of any immunities afforded by LC by law or otherwise.
5. This Agreement represents the entire understanding between the parties. This Agreement can be modified only in writing with the same formality as the original Agreement.
