

## ***Calling all parents, grandparents, and other "special someones"!***

*Come enjoy a special night and make a memory with your child that will last forever. There will be a Hawaiian themed dance on Saturday, May 10<sup>th</sup>, where all Lakeside and Stourbridge students will bring that "Someone Special" to attend with them. There will be areas for that perfect keepsake picture, dancing, face painting, friendship bracelets, games, and light refreshments (please note: refreshments include light snacks, not a meal). This is similar to a Father-Daughter dance, but we want everyone to feel included. If there are two siblings, they can either bring the same someone special, or you can register each child with a different person. Similarly, if additional adults would like to attend with one child, it's only \$10 per extra person. Our children are only little once, and we need to make the most of it! Please feel free to email Laura Lockwood ([llockwood@whsdk12.com](mailto:llockwood@whsdk12.com)) with any questions. Registrations must be received by Friday May 2<sup>nd</sup>. Cost for one student and "someone special" is \$20 / couple. Optional add-ons are listed as well.*

Person filling out form: \_\_\_\_\_
